

### **ESG/Sustainable Investing Certificate Pass Protection**

Nothing in life is guaranteed. That's why we offer PassProtection™ with our ESG/Sustainable Investing Certification Course Package. We're so confident that with your dedication and our exam preparation, you'll have no problem passing the exam. But, should you need a second chance, we'll pay for your entire exam prep package for your next exam sitting.

To be eligible for a free package, you must meet the following criteria:

- Purchased the ESG/Sustainable Investing Certification online study package within the last 36 months
- Are registered to retake your ESG/Sustainable Investing certification exam.

For pass protection to be applied, we must receive email confirmation of your retake registration from CFA Institute. Your order will not be processed until this documentation is received and verified.
