

Foundation Certificate in Accounting - Course Overview 2021/22

Please click [here](#) to view other centre timetables

On this page we've recommended some pathways for your studies, depending on when you start. Full, detailed course dates are on the next two pages.

You can choose from our Evening, Weekday, Weekend & combination course options. There may be more than one course per unit allowing you to start your AAT studies at anytime during the year.

Fee payers (non-apprenticeship students) can study this qualification over **6-12 months**. Apprentices may be required to complete BTRN and BKCL prior to starting the Advanced Diploma qualification, but this will be confirmed on enrolment. More information on the Foundation Certificate is available [here](#).

You need to **attempt BTRN before BKCL**, as it builds on the knowledge gained. You should only start studying **FSYA** once you've completed **BTRN, BKCL and ELCO**, as these units all form part of the Synoptic Assessment. In the FSYA course, we'll cover the WEFN unit that will be assessed in the Synoptic Assessment too. The UACS course is only available via our OnDemand study option.

Special offer: Buy all 5 courses in one transaction and receive a 20% discount. T&Cs apply - see website for details
