

Level 2 Certificate in Accounting

We recommend that fee payers (non-apprenticeship students) study this qualification over 6-12 months, Apprentices must study over a minimum of 15 months. More information on the Level 2 Certificate in Accounting is available [here](#).

You MUST attempt ITBK before POBC, as it builds on the knowledge gained. You should only start studying BESY once you've completed ITBK and POBC, as these units form part of the Synoptic Assessment. In the BESY course, we'll cover the BENV unit that will be assessed in the Synoptic Assessment too.

For Apprentices, Level 2 Intrain is part of your End Point Assessment (EPA) and therefore you will start studying for this once you have completed all the other units at this level.

Special offer: Buy all courses in one transaction and receive a 20% discount. T&Cs apply - see website for details
