

London Islington - Level 3 Diploma in Accounting - Course Overview 2022/23

Please click [here](#) to view other centre timetables

On this page we've recommended some pathways for your studies, depending on when you start. We have both fee payer and apprenticeship routes. Full, detailed course dates are on the next page.

You are able to start your AAT studies at any point throughout the year as there may be more than one course per unit.

We recommend **Fee-Payers** (non-apprenticeship students) study this qualification over **12 months**; **Apprentices** must study over a **18 month period**. More information on the Level 3 Diploma in Accounting is available [here](#).

The Introduction to **Bookkeeping** course is essential if you have **not completed** the AAT Level 2 Certificate in Accounting or Level 2 Certificate in bookkeeping. This course must be studied prior to starting the FAPS unit.

Some of these units will require you to complete topic areas via **blended learning**, so your tutor will direct you on what needs to be covered via our award winning online study modules.

For Apprentices, ADSY Is part of your End Point Assessment (EPA) and therefore you will start studying once you have completed all the other units at this level.

Some centres will also offer MATS in Sep/Oct and this can also be used as a starting point for your Level 3 studies, you would then move onto FAPS in March.

Special offer: Buy all 4 courses in one transaction and receive a 20% discount. T&Cs apply - see website for details
