

# Level 3 Diploma in Accounting

Please click [here](#) to view other centre timetables

We recommend **Fee-Payers** (non-apprenticeship students) study this qualification over **12 months**; **Apprentices** must study over a **18 month period**.

The Introduction to **Bookkeeping** course is essential if you have **not completed** the AAT Level 2 Certificate in Accounting or Level 2 Certificate in bookkeeping. This course must be studied prior to starting the FAPS unit.

For Apprentices, ADSY is part of your End Point Assessment (EPA) and therefore you will start studying once you have completed all the other units at this level.

*Some centres will also offer MATS in Sep/Oct and this can also be used as a starting point for your Level 3 studies, you would then move onto FAPS in March.*

**Special offer:** Buy all 4 courses in one transaction and receive a 20% discount. T&Cs apply - see website for details
