

Nottingham - Level 4 Diploma in Professional Accounting - Course Overview 2022/23

Please click [here](#) to view other centre timetables

On this page we've recommended some pathways for your studies, depending on when you start. We have both fee payer and apprenticeship routes. Full, detailed course dates are on the next page.

You are able to start your AAT studies at any point throughout the year as there may be more than one course per unit. To complete this Level, you need to pass all three Mandatory units and only two Optional units. You can complete your Optional units before or after your Mandatory units.

We recommend that fee payers (non-apprenticeship students) study this qualification over 13 months; Apprentices must study over a minimum of 18 months. More information on the Level 4 Diploma in Accounting is available [here](#).

For Apprentices, PDSY is part of your End Point Assessment (EPA) and therefore you will start studying once you have completed all the other units at this level.

Some of these units will require you to complete topic areas via **blended learning**, so your tutor will direct you on what needs to be covered via our award winning online study modules.

Special offer: Buy all 5 courses in one transaction and receive a 20% discount. T&Cs apply - see website for details
