^{*} A Focus Day is a scheduled day within the course for consolidating knowledge and reinforcing learning, with content and pace tailored to individual learners.

There will not be a live session on these dates. It is essential that you work through the content of the Focus Day before the next classroom course date detailed on the timetable.

There are three study methods available: Classroom (dates shown above), Live Online or OnDemand.

Learners who are currently transistioning from legacy to Next Generation ACA may require different subject combinations which can be selected as needed from the individual subject listing.
