* Personalised days are studied flexibly online and there will not be a live session on these dates. The timetable dates provided for personalised days are indicative only. You ultimately have the flexibility to complete your personalised study in the period between the preceding and next classroom course dates as shown on the timetable.

** This day consists of an online teaching session in the morning, followed by a course exam in the afternoon.

There are three study methods available: Classroom (dates shown above), Live Online or OnDemand.

A complimentary Data & IT module is available on MyKaplan to recap Info and Excel functions used in CR & SBM.
