# Flexible ways to study

We have a range of study options for you to choose from. And the good news is that you don't have to stick to just one - you can select a different study option for each unit, if that works for you.

## Classroom

Study in your local centre with face to face tuition, through a structured programme with maximum tutor support. All of our courses include online resources and ACCA approved printed study materials.

## OnDemand - Coming Soon!

A Tutor-led online course with the flexibility to start studying anytime, anywhere. OnDemand is a complete course designed to suit you and the way you like to study, so you can work through the syllabus at your own pace with a tutor guiding you every step of the way.

## Live Online

If your local centre isn't running a course at time that suits you, you can also study via Live online in the afternoon or evening. Get the benefits of the traditional classroom but with the flexibility of the online environment. The lessons are fully interactive, delivered live by our expert tutors following the same exam focussed material and structure as traditional classroom courses.

## Distance Learning

Study at a time and place that suits you with Kaplan Distance Learning. Our Distance Learning courses include ACCA approved content provider study materials as standard. Tutor support is available by phone and email until 9pm most weekdays and even on weekends\*\*

## Mix & Match

You can study each subject via the course that suits you best, so you could do AB in the classroom and FA via Live Online or Distance Learning - simply choose the combination that works for you.
