# ATT Syllabus Structure

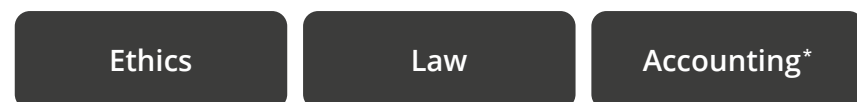

In order to complete the ATT qualification, you must pass both of the core Certificate papers.

Plus one of the optional Certificate papers, from a choice of four:

Plus three Computer Based Exams (CBE):

\*ATT students will be exempt from the Accounting CBE where they are qualified with a main UK accountancy body (AAT, ACCA, CIMA, CIPFA, ICAEW or ICAS).

# Pathway Guidance

	Sitting 1	Sitting 2	Sitting 3
Pathway 1	PT	BT and one option paper	Completed
Pathway 2	PT	BT	Option Paper

The table above shows the two most common study pathways.

- Sittings run every six months – May / November
- Please check the Timetable before enrolling as not all courses/ pathways are available in all locations to each exam sitting.
- Students choosing to sit BT before PT will supplement their BT course with a recorded online lecture covering assumed Personal Tax knowledge.
- We recommend that learners sit BT before the BC or CT option paper.

The Computer Based Exams can be sat at any time:

Click [here](#) for more information about our OnDemand courses for these papers, which are available all year round.

# Flexible ways to study

We have a range of study options for you to choose from, and the good news is you don't have to stick to just one. You can select a different study option for each subject, if that works for you.

## Classroom

Study in your local centre with face to face tuition, through a structured programme with maximum tutor support.

All of our courses include online resources and ATT printed study materials.

## Classroom Live Streamed

This combines Kaplan's high quality in-classroom experience with the flexibility to study from wherever you want. You'll log in to live classroom sessions via Zoom, and will not only be able to see your tutor but also those students sitting in the actual classroom, making it feel like you are physically there. For availability please see the detailed timetable.

## Live Online

If your local centre isn't running a course at a time that suits you, you can also study via Live Online in the daytime or evening. Get the benefits of the traditional classroom, but with the flexibility of the online environment. The lessons are fully interactive, delivered live by our expert tutors, following the same exam focussed material and structure as traditional classroom courses.

## Distance Learning

Study at a time and place that suits you with Kaplan Distance Learning. Our Distance Learning courses include ATT printed study materials as standard. Tutor support is available by phone and email (see Support hours below).

## OnDemand Learning

Kaplan offer OnDemand courses to match the flexibility of the 3 Computer based exams: covering Ethics, Law and Accounting.

OnDemand is an award-winning, flexible, online study option that uses a variety of learning formats such as bite-sized tutor-led lectures, and activities to link topics together, helping you stay motivated.

## Academic Support

## Mix & Match

You can study each subject via the course that suits you best.
