ATT Syllabus Structure

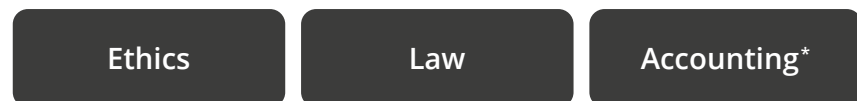

In order to complete the ATT qualification, you must pass both of the core Certificate papers.

Plus one of the optional Certificate papers, from a choice of four:

Plus three Computer Based Exams (CBE):

*ATT students will be exempt from the Accounting CBE where they have a valid credit in the previous P2 BTAP paper or where they are qualified with a main UK accountancy body (AAT, ACCA, CIMA, CIPFA, ICAEW or ICAS).

Pathway Guidance

	Sitting 1	Sitting 2	Sitting 3
Pathway 1	PTX	BT and one option paper	Completed
Pathway 2	BT	PTX and one option paper	Completed
Pathway 3	PTX	BT	Option Paper
Pathway 4	BT	PTX	Option Paper

The table above shows the four most common study pathways.

- Students on Pathway 2 or 4 will supplement their BT course with a recorded online lecture covering assumed Personal Tax knowledge.
- Sittings run every six months – May / November

Please check the Timetable before enrolling as not all courses/pathways are available in all locations to each exam sitting.

The Computer Based Exams can be sat at any time:

However, due to the assumed knowledge at P2 BT, we recommend that students sit the Accounting CBE ahead of their P2 BT studies.

Flexible ways to study

We have a range of study options for you to choose from, and the good news is you don't have to stick to just one. You can select a different study option for each subject, if that works for you.

Classroom

Study in your local centre with face to face tuition, through a structured programme with maximum tutor support.

All of our courses include online resources and ATT printed study materials.

Live Online

If your local centre isn't running a course at a time that suits you, you can also study via Live Online in the daytime or evening. Get the benefits of the traditional classroom, but with the flexibility of the online environment. The lessons are fully interactive, delivered live by our expert tutors, following the same exam focussed material and structure as traditional classroom courses.

Distance Learning

Study at a time and place that suits you with Kaplan Distance Learning. Our Distance Learning courses include ATT printed study materials as standard. Tutor support is available by phone and email (see Support hours below.)

e Learning

e-Learning is ideal if you want to study at home at your own pace. Kaplan offer eLearning courses to match the flexibility of the 3 Computer based exams: covering Ethics, Law and Accounting. These courses include recorded lectures which will supplement your learning materials and bring key topics to life.

Classroom Courses

Due to the social distancing measures currently in place, we plan on delivering the tuition phase of our November courses via live online. We anticipate that we will be able to deliver the revision phase in the classroom. Should guidelines change, we will review the opportunity to bring tuition dates back into the classroom too. To provide clarity, we have also colour coded our timetable to reflect this.

The original classroom dates due to run have been greyed out and replaced with the dates in the national Live Online column. Where there are two online options we have indicated in the original location columns whether your course has been mapped to option one or two. Dates in the original location columns have been struck through where the replacement dates differ.
