OT subjects can be taken in any order, however you must have passed all 3 OT subjects before you can sit your Case Study exam.

In order to ensure you retain the knowledge from your OT subjects into the Case Study, we recommend you try to study for a full level over no more than 12 months. More syllabus information can be found [here](#).

Don't forget to book your computer based exams with us too. It is easy to book [online](#). Recommended exam dates are shown on the following pages. Our results show clearly that sitting your exam in line with our recommendations gives you a 38% better chance of passing.
