On this page you can see a summary of the courses offered in our Manchester centre, with the coloured sections showing which quarter each course will run in. You can choose from our Weekend and Weekday course options. There may be more than one course per subject, so you can start your CIMA studies throughout the year. Detailed course dates for 2020 and the first half of 2021 are on the next pages.

Please note that the specific course dates for the second half of 2021 will be available later in 2020.

OT subjects can be taken in any order, however you must have passed all 3 OT subjects before you can sit your Case Study exam.

In order to ensure you retain the knowledge from your OT subjects into the Case Study, we recommend you try to study for a full level over no more than 12 months. More syllabus information can be found [here](#).

Don't forget to book your computer based exams with us too. It is easy to book [online](#). Recommended exam dates are shown on the following pages. Our results show clearly that sitting your exam in line with our recommendations gives you a 38% better chance of passing.
