Flexible ways to study

We have a range of study options for you to choose from, and the good news is you don't have to stick to just one. You can select a different study option for each subject, if that works for you.

Classroom

Study in your local centre with face to face tuition, through a structured programme with maximum tutor support.

All of our courses include online resources and CTA printed study materials.

Classroom Live Streamed

This combines Kaplan's high quality in-classroom experience with the flexibility to study from wherever you want. You'll log in to live classroom sessions via Zoom, and will not only be able to see your tutor but also those students sitting in the actual classroom, making it feel like you are physically there. For availability please see the detailed timetable.

Live Online

If your local centre isn't running a course at a time that suits you, you can also study via Live Online in the daytime or evening. Get the benefits of the traditional classroom, but with the flexibility of the online environment. The lessons are fully interactive, delivered live by our expert tutors, following the same exam focussed material and structure as traditional classroom courses.

Distance Learning

Study at a time and place that suits you with Kaplan Distance Learning. Our Distance Learning courses include CTA printed study materials as standard. Tutor support is available by phone and email (see Support hours below).

OnDemand Learning

Kaplan offer OnDemand courses to match the flexibility of the 3 Computer based exams: covering Ethics, Law and Accounting.

OnDemand is an award-winning, flexible, online study option that uses a variety of learning formats such as bite-sized tutor-led lectures, and activities to link topics together, helping you stay motivated.
